REMARKS

On 10/24/2016, at approximately 2141 hours I, Officer Foster, stopped the accused for running over a curb and failing to maintain his lane. The operator was positively identified as Lamar Lollar by his Connecticut Driver's License. Upon speaking to the accused I detected the odor of marijuana coming from the vehicle and his person. I alerted K9 Ofc. DelMaruo of the situation and on request he responded with his K9 partner who is certified in narcotic detection. I asked Lollar if he would consent to a field sobriety test to determine if it was safe for him to operate a motor vehicle. Lollar replied "yes" and stepped to the left of his vehicle as directed. Officer DelMauro's K9 hit on the vehicle and a small amount of suspect marijuana (.18 grams)

was located in the gas cap of the vehicle.

Prior to beginning the SFST, Lollar was asked if he had any injuries, was diabetic, or if he was taking any medications that would prevent him from completing this test. Lollar stated he would be able to complete the test without any issues. Lollar reaffirmed to me that he did not consume alcohol. I conducted the SFST to the left of his vehicle. I asked if he understood each demonstration/explanation, and he stated "yes".

The accused failed to perform the SFST's to standard.

The sum of all observations from the first contact with Lollar to the time of arrest supported the probable cause for the arrest of D.U.I (C.G.S. 14-227a). Lollar was placed in handcuffs and was advised he was under arrest. Lollar was transported to Police headquarters for processing. Lollar was read his Notice of Rights at approximately 2228 hours and at 2230 hours he declined console from an attorney.

On 10/24/2016, at approximately 2242 hours, the following breath test result was obtained 0.000.

Base on the results, the test was terminated and was switched to a urine test. Lollar was given approximately twenty minutes to urinate and was provided water. At approximately 2310 hours a refused by conduct was determined. Officer Wasilewski witnessed the refusal and signed the A-44.

Lollar was released on a \$500 non-surety bond. Lollar was issued Misdemeanor Summons, #MC397127. Lollar was charged with violation of C.G.S. 14-227a, violation of C.G.S. 14-236 Failure to Maintain Lane, and violation of C.G.S. 21a-279a(a)1 Possession of Less than 1/2oz Marijuana. Lollar scheduled appear in Middlesex Superior Court on November 17, 2016 at 0900 hours.

END.

REMARKS

On Wednesday 11-16-2016 I, Ofc. Lathrop, was dispatched to an address on Plaza Drive on a report of a disturbance in a residence. I had previously been at the same residence for a larceny complaint earlier in the day (MPD case# 16-28216) involving the same individuals. During that call for service I interviewed both individuals inside the residence. The residence was neat, clean, and everything was in order. The victim in the larceny complaint accused the suspect in this case, Kubilay Demirhan, of stealing bank account checks from the victim and cashing them without their approval.

On my arrival to Plaza Drive I was met by the victim who was waiting outside his/her residence. The victim stated Kubilay Demirhan was inside the residence punching a hallway closet door and was knocking items off the counter in the kitchen. The victim stated Demirhan was yelling and arguing with him/her prior to the call to the police and the victim felt afraid for his/her safety so they waited outside in the parking lot until the Police arrived.

Officer Thompson and I went inside the residence and found Demirhan in the front hallway. I looked around the residence and observed a broken closet door and items on the ground in the kitchen. The residence was not in the same orderly appearance it was when I had left for the earlier call. Demirhan was standing near the doorway, he was red in the face, out of breath and he seemed angry. I instructed Demirhan to turn around and place his hands behind his back which he did without incident. I advised Demirhan he was going to be detained and he was placed in handcuffs which were double locked and checked for tightness.

Officer Thompson secured a sworn written statement from the victim. The statement is as follows: *On 11-16-2016 around 2:00pm I began to argue with Kubilay. He was upset because I called the police and reported he stole checks from my account and cashed them. He then started saying I am friends with the cops and began damaging the apartment. He punched and dented the hallway closet door and also knocked some kitchen items off the counter. I am unsure what it will cost to fix the closet door. I have ongoing problems with Kubilay and would like to press charges for this incident.*

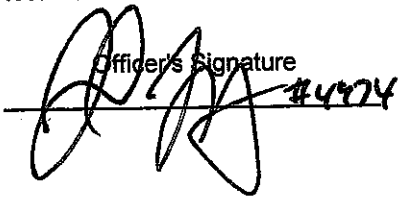

I spoke with Demirhan and asked him what happened inside the after I had left. Demirhan did not want to answer my questions. I advised Demirhan that the victim was telling us what had taken place inside the residence and I gave him a chance again to tell me his side of the story but he again refused.

I advised Demirhan he was under arrest. I placed Demirhan in the rear passenger side of my marked MPD Police vehicle and transported him to headquarters for processing.

Once back at MPD headquarters Demirhan was read his notice of rights, which he acknowledged and signed at approximately 1428 hours. Demirhan was then photographed, fingerprinted, and processed in violation of CGS 53a-182 Disorderly Conduct and 53a-117 Criminal Mischief 3rd degree.

Demirhan was issued a court date of 11-17-2016 at GA-09 located at 1 Court Street Middletown, CT 06457 at 09:00am. Demirhan was held on a \$25,000 surety bond and was placed in a MPD holding cell.
